World of Opportunity

Investing in Women

15th Annual Luncheon

Why Sponsor?

About Us

Global Partnerships' 2017 *World of Opportunity* Luncheon will focus on **the power of Investing in Women**.

Monday, October 16
12:00 pm to 1:00 pm
The Westin Seattle

Mingle with like-minded people interested in women's empowerment and global poverty. Learn how impact investing expands opportunity for people living poverty. Hear from an inspiring partner who is impacting the lives of women and their families.

Guests will leave energized by our shared vision - empowering people living in poverty to improve their lives.

Our audience includes powerful business leaders and philanthropists. Last year, 675+ global thinkers raised over \$600,000. Sponsorship is a unique opportunity to:

- Connect with current and potential clients;
- Demonstrate your commitment to women's empowerment; and
- Inspire your staff to engage in the community.

Last year's sponsors included: Badgley+Phelps, BECU, Charlie's Produce, Cornerstone Advisors, JPMorgan Chase, Matthew G. Norton Company, McKinstry Co., Seattle University, Waldron and many others!

Founded in 1994, Global Partnerships (GP) is a nonprofit impact investor. Our mission is to expand opportunity for people living in poverty.

We invest in social enterprises (microfinance institutions, social businesses and cooperatives) that provide impoverished people access to critical products and services.

To date, Global Partnerships has invested in 101 partners in 15 countries and impacted over 5.1 million lives. Learn more at globalpartnerships.org.
